Matthew Cho

Matthew is a partner at Cadesky Tax, a boutique tax firm located in Toronto. In his years as a tax professional, Matthew focuses on bringing valuable tax advice to business owners, high-net worth families and corporations in the areas of tax planning, business structuring and estate planning. He is also involved in cross border tax planning for multinational families and businesses, both inbound and outbound.

Matthew graduated from the University of Toronto and is a member of CPA Ontario. He has completed the CICA In-Depth Tax course, in addition to several other specialized tax courses. Prior to joining Cadesky Tax, Matthew was a senior tax manager at a national accounting firm.
